

Babita

React Native Developer | Mobile Application Developer

+919034100895 | babitamittal576@gmail.com | <https://www.linkedin.com/in/babitamittal/> | <https://github.com/Babita153>

Education

Bachelors of technology in Computer Science

2023- Present

Seth Jai Parkash Mukand Lal Institute of Engineering and Technology

Top 10 in University and ranked 5th and 8th position in Kurukshetra University (KUK) in Semester 3rd and 5th (CGPA: 8.80)

Projects

Bus Tracking & Ticket Booking App | React Native, Node.js, MongoDB

May 2026 - Present

- Developed a booking platform with **90% responsive UI**
- Implemented authentication, seat booking, ticket history, and route tracking
- Integrated **5+ core features**, **15+ screens** and Firebase services
- Reduced booking steps by **40 %** through optimized user flow

SnapEats – Food Delivery App | React Native, Firebase

Dec 2025 - April 2026

- Designed and developed **12+ screens** like food ordering application with cart, order tracking and authentication
- Integrated APIs for menu and order management
- Reduced user navigation steps by **30%** through optimized UI flow

SmartSpend – Expense Tracker App | React Native, Firebase

July 2025 - Nov 2025

- Implemented Firebase Authentication and secure data storage
- Managed expense tracking workflows with clean and responsive interface
- Built expense management application with CRUD operations and **8+ interactive screens**.

Experience

React Native Trainee

Codobux, Mohali

July 2025 – August 2025

- Built **35+** responsive screens and 3+ apps.
- Integrated 10+ REST APIs and Firebase Authentication
- Improved app responsiveness and navigation performance.

Technical Skills

- **Languages:** JavaScript (ES6+), Java, HTML5, CSS3
- **Mobile Development:** React Native, Android Development, Firebase, Mobile UI Development
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB, MySQL, Firebase
- **Tools:** Git, GitHub, VS Code, Android Studio, Postman
- **Concepts:** REST APIs, OOP, DBMS, DSA, Debugging, Testing

Certificates / Achievements

- Selected for Infosys Springboard Cohort 7
- TCS Ion Career Enhancement and young Professional Program
- Organized and managed college technical events with teams of 20+ members
- Developed 3+ real-world applications and integrated 10+ APIs
